(1) All sales of tangible personal property delivered within such municipal corporation regardless of where title passes if shipped or delivered from a stock of goods within such municipal corporation;

(2) All sales of tangible personal property delivered within such municipal corporation regardless of where title passes even though transported from a point outside such municipal corporation if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion;

exempted from taxation under division (F)(10) of section 718.01 of the Revised Code and division (A)(2)(d) of section 718.03 of the Revised Code by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under divisions (A) and (B) of this section
